

## Ras Abu Fontas - Qatar Economic Zone 01

### Overview:

The development of the Qatar Economic zone is designed to boost investment and industry in the area adjacent to Hamad International Airport, Doha, covering over 4km<sup>2</sup> of land.

The project is set to become an advanced technology and logistics hub, ideal for companies seeking world-class infrastructure and international connectivity, specifically in the following markets:

- Healthcare and medical devices
- Aerospace and automotive
- Advanced technology
- Logistics
- Business services

Adexsi UK was appointed by Manateq, working with main contractor QBEC and architect Dorsch.

### Outcome:

Worked with our approved installer, to maximise local knowledge and resources. The project involved the supply and installation of Adexsi Bluecoif (a Qatar Civil Defence Approved Product) combined smoke ventilators and rooflights, complete with controls.
