

Um Alhoul - Qatar

Overview:

AdeSmoke® Helps achieve a National Vision

Qatar Economic Zone 03 at Um Alhoul is located within the port city of Al Wakrah, extending over an area of 27 square kilometers. The new Um Alhoul facility will bring together a number of activities from the Metallurgy, Petrochemical, Construction, Logistics and Marine Industries.

It boasts the additional benefit of direct sea access thanks to a dedicated canal. The Project is part of the Qatar National Vision 2030. An initiative supported by Emir Tamim bin Hamad Al Thani.

Outcome:

Adexsi UK worked with Egis Consulting, Qatar Building Engineering Company and Alpha Fire Services to provide Design, Manufacture, Installation, Commissioning and Qatar Civil Defence Certification of the Smoke Ventilation Systems for various buildings – 78no Adexsi Bluecoif Combined Smoke Ventilator and Rooflight with Controls to BSEN12101 – Qatar Civil Defence Approved. Weather and Climate performance products were essential to the project.
