

Qatar Emiri Land Forces

Overview:

Construction of Ammunition Stores

Qatar Armed Forces are expanding facilities at Al Udeid with an increased demand for specialist warehousing.

Qatar Emiri Land Forces new warehouses are specifically designed for essential item storage.

Proven weather and climate performance along with prompt delivery were essential for this fast track project.

Outcome:

Adexsi UK worked with AEC, Qatar Building Engineering Company and Alpha Fire Services to provide Design, Manufacture, Installation, Commissioning and Qatar Civil Defence approval of the Smoke Ventilation Systems. 22 no AdeSmoke® systems were installed using Adexsi Bluecoif DOE combined Smoke Ventilator and Rooflight with Controls - All to BSEN12101 & QCD approved.
