

Brioche Pasquier UK

Overview:

Brioche Pasquier UK is a traditional French family bakery, in 1936 Gabriel Pasquier founded the company by opening his first bakery in the west of France. The Company offers an extensive range of Brioche, Biscotte & Pâtisserie, #BriochePasquierUK takes pride in delivering high-quality bakery and dessert foods for every occasion.

The Phase II extension to its UK facility in Milton Keynes will provide an additional 80,000sq ft of factory and offices, which will enable BPUK to bring more production lines, it will also add around 130 new jobs to the Milton Keynes area.

Outcome:

Working with Wilten Construction and the Client, Adexsi UK have been able to provide an upgrade to the existing Smoke Ventilation system and integrate it with all new AdeSmoke® ventilators on the extension. Adexsi Group Products – Hexadome & Bluecoif Ventilators along with pneumatic controls have been installed.
