

Courtyard by Marriott

Overview:

Courtyard Exeter Sandy Park hotel combines style and innovative design, uniquely placed next to Exeter Chiefs Rugby Ground.

Located just off the M5, the new hotel offers convenient access to Sandy Park Conference & Banqueting Centre and the ability to explore the historic and vibrant city of Exeter. The rooftop bar and restaurant facility is one of its kind in the region, with stunning panoramic views across the Devon countryside and coastline.

Adexsi UK was employed by FP Hurley to provide Design, Supply, Installation and Handover of the building's Smoke Control System.

Outcome:

A Bespoke Design and CFD package helped to deliver an AdeSmoke® system appropriate for the innovative & modern design.
