

Hello Student - Award Winning Premium Student Accommodation Provider

Hello Student, are an award-winning Premium Student Accommodation provider with sites located throughout the whole of the UK.

Adexsi UK have been working with Hello Student for a few years now, providing service and repair services, to ensure compliance is maintained in line with current and ever-changing legislation, ensuring their students have a safe and comfortable environment to enhance their learning experience. We currently support 41 sites within the UK, housing thousands of students.

CLIENT TESTIMONIAL

"In recent years we have increasingly worked with Adexsi UK as they have taken on not only their own installations at our sites, but also the majority of our other sites across England and Wales. Joanna, our account manager, has been consistently helpful and supportive. She is always on the other side of the phone and is very supportive in resolving any problems we might face with our smoke extract systems. This working relationship is a real partnership, which is the way we wish to operate with our service partners."
